Homestead Estate

With construction well underway, there is now a great opportunity to secure a spacious allotment in one of the most unique subdivisions in the Haven area. Perfectly located within a country setting and in close proximity to the Haven School and Horsham Golf Course, this sought after location will be ready to build on early to mid 2015. With a variety of block sizes ranging from 4.001ha (9.8 acres) to 5.932ha (14.6 acres) there is an allotment to suit every buyer. Bitumen road frontage, power and water is available to all blocks of land. A flexible covenant will also apply, giving you various building options that most new subdivisions don't offer.

Secure your dream allotment today with an initial \$5,000 deposit. For full details contact Nathan Howie on 0414 424 333.
